Wheel of Success

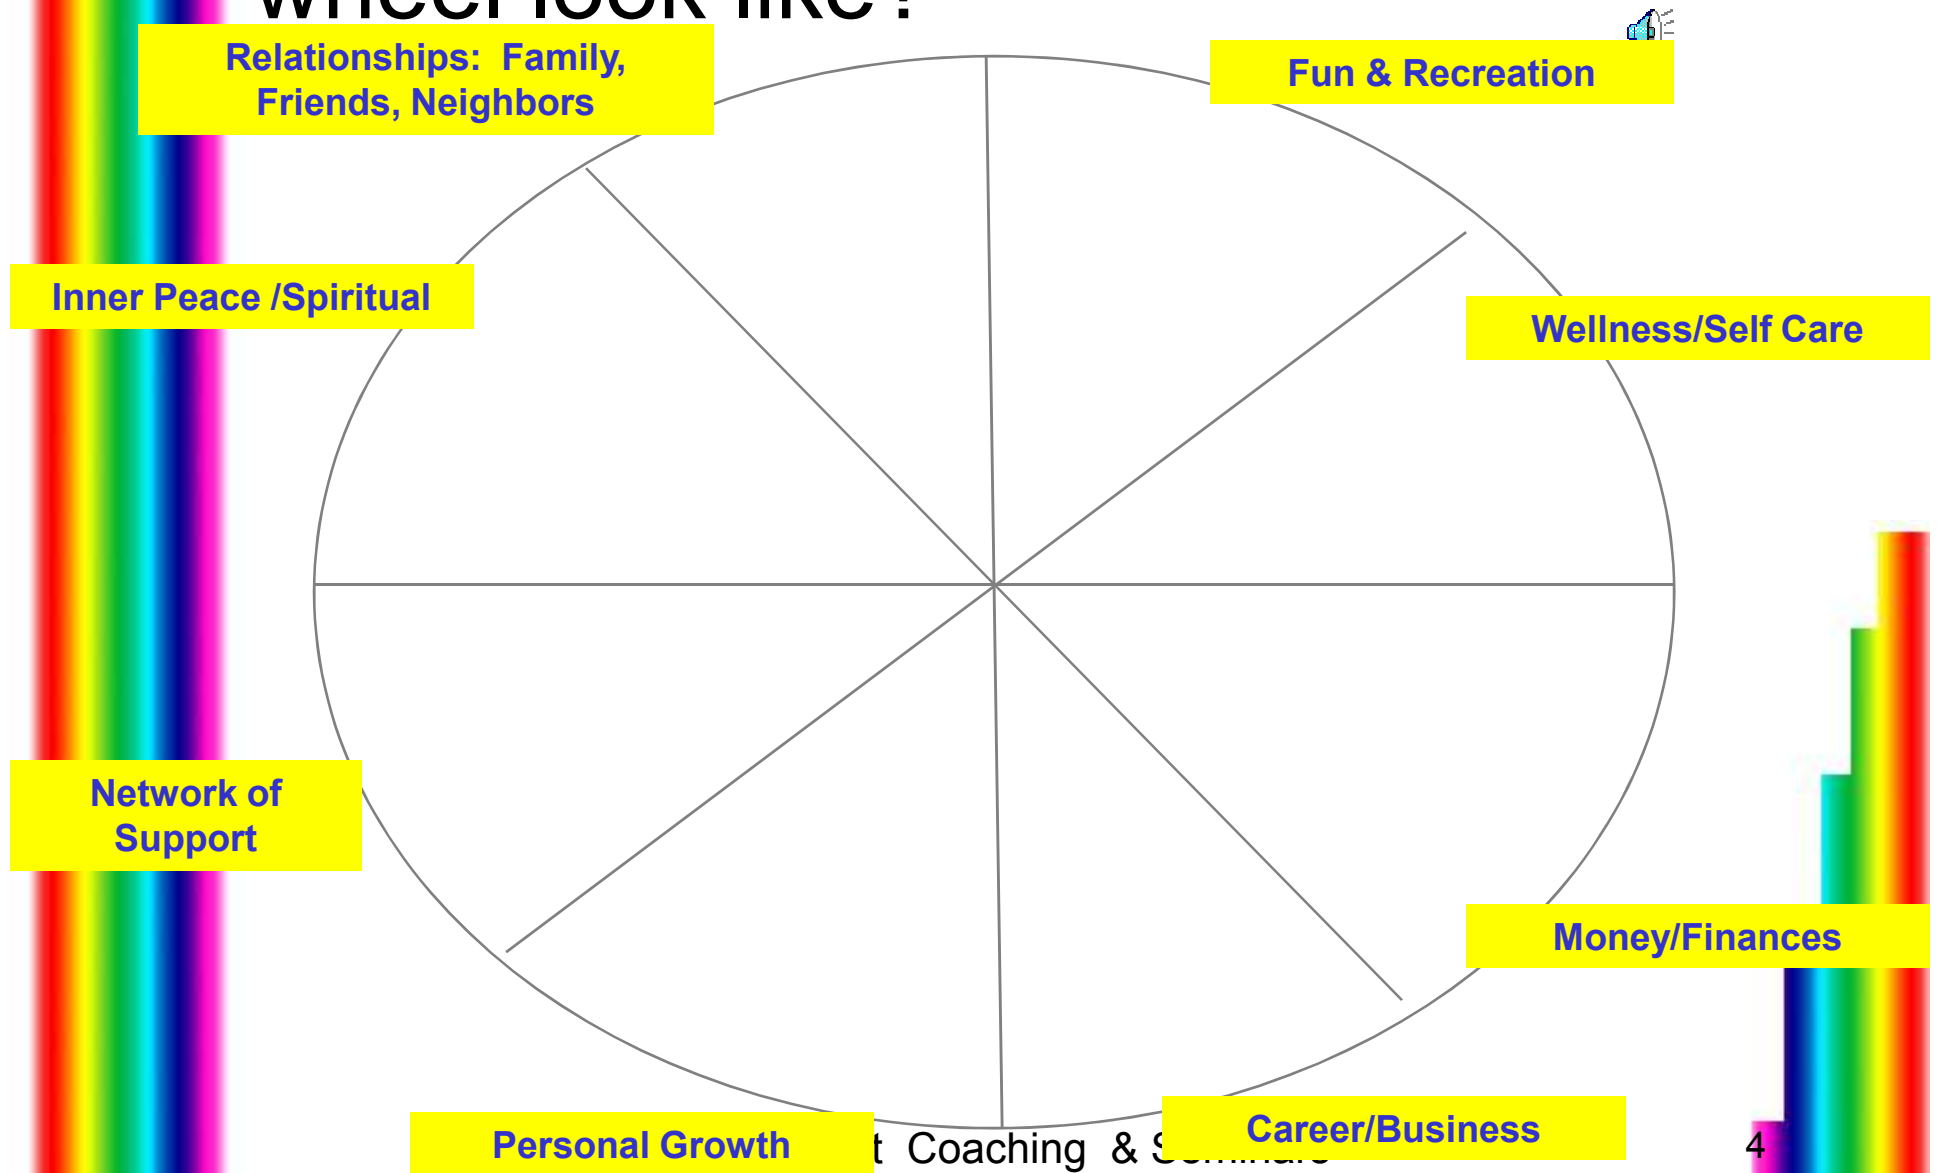

Understanding Where YOU are
Today!

BUSINESS OF YOU...WHEEL OF SUCCESS.

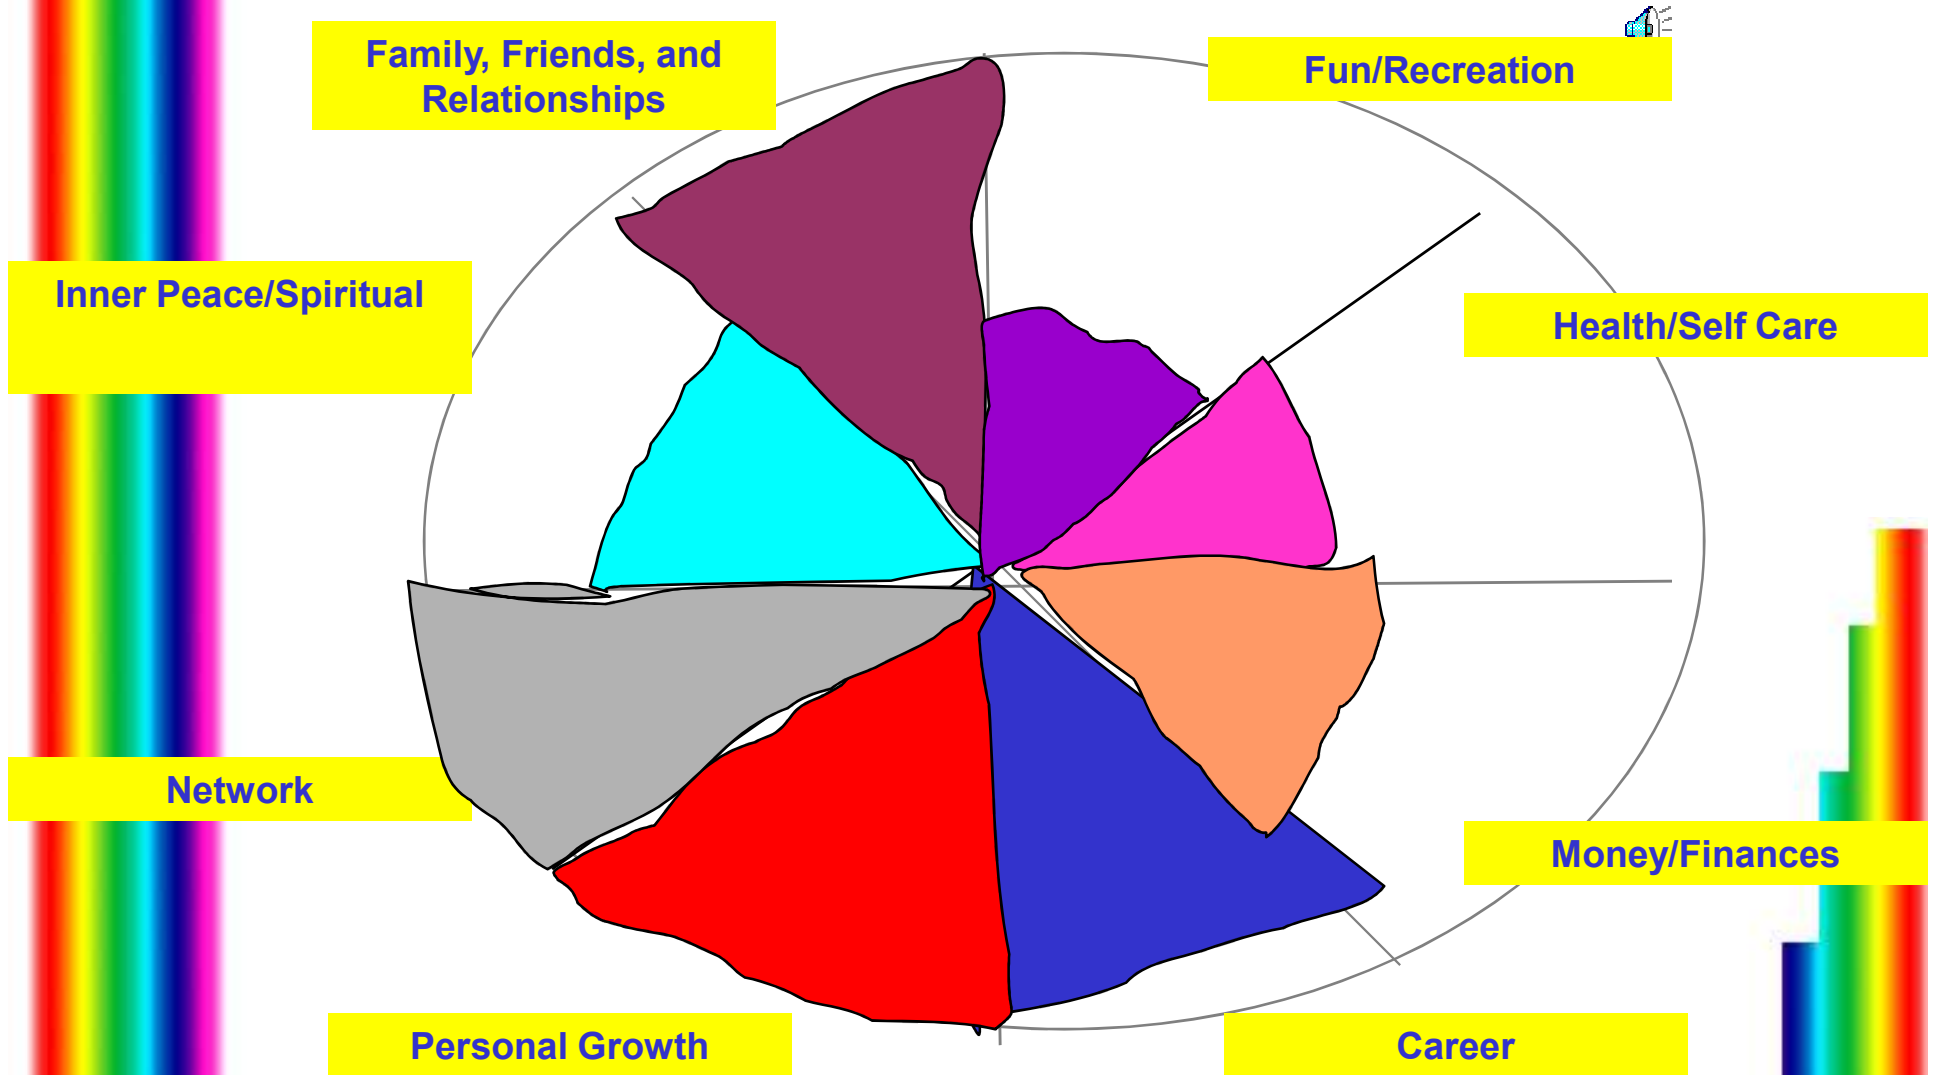

- Directions: The eight sections in the Wheel of Success is a way to look at your life and see how you feel and think about your personal success vs. your goals! The center of the wheel is 0 and the outer edge as 10, rank your level of satisfaction with each life area. By drawing a curved line to create a new outer edge you will create a circle that represent how you perceive your life TODAY. Where are the opportunities to create more success in your life according to your personal definition of success...your vision & mission.
- Remember...this is how satisfied you are, not your mother or father.
